

ZARA (Almaty)

Field of Activity

Distribution network

User

Zara — a leading distribution network of group of companies Inditex Group. In the world exists more than 1500 Zara shops.

Task

To establish, in a new shop situated in shopping mall "MEGA", systems:

- emergency notification and background music
- security alarm system
- CCTV

Decision

For CCTV is used the equipment of production of the Samsung company. For the best sounding of voice messages and background music is installed the equipment of system of the notification of Bosch with use of loudspeakers of Apart. The security alarm system is constructed on the equipment DSC. All systems are established in a short time according to the plan of opening of shop

Installer

GSI - Kazakhstan
