

Royal Tulip hotel complex, Almaty

Field of Activity

Hotel case

User

Located in the foothills of Tyan Shan, the hotel opened the doors in 2010 and offers high level of service for guests. For favorable carrying out free time, we created an oasis far from the intense life rhythm. Our hotel offers you a variety of services which will make your stay the unforgettable. The hotel is conveniently located near Medeo, a unique high-mountain skating rink, and well-known ski resort Chimbulak. The international airport Almaty is in 20 km from hotel, approximately in 30 minutes on car.
