

The shop "Gorodok"

Field of Activity

Distribution network

User

The Intertreyd LLP company exists in the market of Kazakhstan more than 13 years. The company has the developed branch network in the cities of Astana, Shymkent, Ust-Kamenogorsk, Karaganda, Kostanay, and also own retail network "Gorodok" shops and network of the corporate Chicco shops.

Task

To establish, in new shop situated in shopping mall "MEGA", system:

- Emergency sound notification and background music
- CCTV

Decision

For CCTV is used the equipment of Samsung company. For the best sounding of the voice messages notifications and background music system is installed the equipment "Apart". All works on equipment installation were conducted in a night shift. All systems are installed in the squeezed terms according to the plan of opening of shop.

Installer

GSI - Kazakhstan
