

# The Republican Guard

## *Industry:*

**Safeguarding of the President of the Republic**

## *End User:*

**The Republican Guard of the Republic**

Is a separate military formation and the reserve of the Armed Forces of the Republic. The Republican Guard is considered as an elite subdivision, the best and the most prestigious structure in the Army.

## *Business Objection:*

It was decided to equip the Army Department 0112 with the security system with CCTV.

## *Solution:*

This object was equipped with the cameras with the case for all kind of weather. The registration of the data is done by Divar-16.

## *Result:*

The important moment in the exploitation of the system is the cameras which are secured from the hard weather conditions.

## *Installed by:*
