

IndigoVision

Date: July 9th, 2014

Manufacturer Authorization

IndigoVision is a leading manufacturer of end-to-end IP video security solutions for airports, ports, rail, traffic, cities, banking, oil & gas, mining, education, commercial, police, prisons and government. These enterprise class systems improve organizations' operational efficiency, enhance public safety and enable timely emergency response. IndigoVision operates from six regional centers in New Jersey, Sao Paulo, Singapore, Dubai, London and Edinburgh, each with training facilities, demo suites and local stocking. IndigoVision partners with some 300 authorized partners to provide local system design, installation and service to end users, in each of the regions.

IndigoVision hereby certifies that,

TOO "General Security Installation-Kazakhstan" LLC
Umbetbaeva St. 190
Almaty 050057
Kazakhstan

is an official authorized partner of IndigoVision and **authorized to sell, maintain and support IndigoVision's product & solutions in Kazakhstan.**

This authorization is valid for as long as the partner has her training updates completed successfully and is not in any state of administration or bankruptcy. Its validity can be confirmed by contacting IndigoVision under the contact details that can be found at the bottom end of this Authorization letter.

IndigoVision herewith certifies that TOO GSI-Kazakhstan, enjoys support by the manufacturer in using the Manufacturers products & solutions according to the conditions set in the IndigoVision Terms and Conditions of Business.

Yours sincerely,
IndigoVision Ltd
